Hi,

Status update as of 2024/01/31 is I am working on AVATAR project for Mark. I will have a more detailed update regarding this project by tomorrow end of day at the latest.

Since all questions and issues that came up pertain to AVATAR project, and Mark is contact person for this, I would like to ask that we postpone our today's sync meeting with Juergen so I can focus on wrapping up.

Regards,
