Hi,

Status as of 2024/04/24 is I am wrapping up with <https://github.com/geckoprojects-org/org.gecko.emf.utils/issues/52> ("Converter Impl for DTO to EObject") and will share results with you by end of today's session, then I will proceed to taking care of changes you requested for <https://github.com/geckoprojects-org/org.gecko.emf.utils/issues/51>.

Regarding our weekly (today's / Wednesday) meeting - I think you cancelled it. So if there's a need to have a sync call, please let me know, otherwise you have my weekly summaries and work shared via PRs.

Regards,
