Hi,

On Friday (15.09) I shared with you (Juergen) sample outputs from flat-mode CSV exporter, in order to verify / clarify. You (Juergen) clarified this for me on Friday via Slack.

Therefore, status update as of 18.09.2023 is I am working on flat-mode CSV exporter and will share latest commit as soon as I wrap up with what remains. Then proceed to other projects.

Regards,
