Hi Juergen,

Thank you very much.

As you know usually there's a review every 6/12 months. What you mentioned at the end of December ("Thank you for the great job.."), and what you mentioned when we spoke at the end of January (i.e. extending contract for another year, etc.), is in sync.

The problem I often had, even after working for 2/3 years with some customers, is that despite everything was OK during the course of our working relationship, once it ended I was unable to receive any kind of testimonial - often I was not even able to contact them afterwards. I hope we continue working together, but I have to protect myself from such possibilities.

If you'd like to do a more thorough review every 6/12 months, please let me know.

Thank you for your help.

Regards,

Hi Michal,

I hope this kind of quote is what you are looking for. I tried to keep it brief, if you want to put it on your website. If you need a more detailed resume, let me know.

Regards,

Jürgen.

Michal is very considerate and diligent in his work. With has a brought knowledge on a wide variety of technologies, he hit the ground running and became quickly a valued Member of our Team. As an independent and remote worker, he always has a good analytic eye on the problems given and he takes care of requirements tracking, software development and DevOps if necessary. We are looking forward to do more projects together with him in the future!
