

AGREEMENT

Agreement made this 24th day of February 2000 between Innovative Network Designs Corporation having business at 120 Washington Street, Morristown, New Jersey and Michal Siemaszko, an individual, residing at 373 68th Street, Apt #3, Brooklyn, NY 11220.

1. Agreement

Innovative Network Designs desires to retain Michal Siemaszko to provide development of a e-mail notification script, and Michal Siemaszko agrees to provide and perform such service to meet Innovative Network Designs' requirements.

2. Conditions of Agreement

The scope and work of this project shall include:

- developing e-mail notification script to be used for notifying users when specific page(s) on a website have been updated; comprised of:
 - a) **the front-end (client interface)**
 - for users to subscribe and unsubscribe to different parts of the site
 - b) **the back-end (administration)**
 - add / remove pages to subscribe for
 - edit and delete users
 - generate emails to subscribed users when part of the site they signed up for is updated
- preparing documentation with instructions on how to install and troubleshoot this script

3. Timetable

Michal Siemaszko shall diligently start and perform the required services for Innovative Network Designs and complete the plans and specifications of this project two weeks from the date of signing this agreement, provided that all required fees had been paid and necessary materials (if any) obtained.

4. Compensation

Innovative Network Designs shall compensate Michal Siemaszko \$600, in consideration of the services performed herein by Michal Siemaszko. \$300 is due upon the signature of this contract and the balance (\$300) due at the completion of the project.

IN WITNESS THEREOF, the Parties hereto have executed this Agreement as of the day and year first above written.
