Domain Name Registration Agreement

NETWORK SOLUTIONS, INC.

DOMAIN NAME REGISTRATION AGREEMENT (V. 3.5)

A. Introduction. This domain name registration agreement ("Registration Agreement") is submitted to NETWORK SOLUTIONS, INC. ("NSI") for the purpose of applying for and registering a domain name on the Internet. If this Registration Agreement is accepted by NSI, and a domain name is registered in NSI's domain name database and assigned to the Registrant, Registrant ("Registrant") agrees to be bound by the terms of this Registration Agreement and the terms of NSI's Domain Name Dispute Policy ("Dispute Policy") which is incorporated herein by reference and made a part of this Registration Agreement. This Registration Agreement shall be accepted at the offices of NSI.

B. Fees and Payments. Registrant agrees to pay a registration fee of One Hundred United States Dollars (US\$100) as consideration for the registration of each new domain name or Fifty United States Dollars (US\$50) to renew an existing registration. The payment may be made payable either directly to "Network Solutions, Inc.", or indirectly to NSI through the Registrant's Internet Service Provider ("ISP"). Payment is due within thirty (30) days from the date of the invoice. The non-refundable fee covers a period of two (2) years for each new registration, and one (1) year for each renewal, and includes any permitted modification(s) to the domain name's record during the covered period.

C. Dispute Policy. Registrant agrees, as a condition to submitting this Registration Agreement, and if the Registration Agreement is accepted by NSI, that the Registrant shall be bound by NSI's current Dispute Policy. The current version of the Dispute Policy may be found at the InterNIC Registration Services web site: <http://rs.internic.net/dispute.html>.

D. Dispute Policy Changes or Modifications. Registrant agrees that NSI, in its sole discretion, may change or modify the Dispute Policy, incorporated by reference herein, at any time. Registrant agrees that Registrant's maintaining the registration of a domain name after changes or modifications to the Dispute Policy become effective constitutes Registrant's continued acceptance of these changes or modifications. Registrant agrees that if Registrant considers any such changes or modifications to be unacceptable, Registrant may request that the domain name be deleted from the domain name database.

E. Disputes. Registrant agrees that, if the registration of its domain name is challenged by any third party, the Registrant will be subject to the provisions specified in the Dispute Policy.

F. Agents. Registrant agrees that if this Registration Agreement is completed by an agent for the Registrant, such as an ISP or Administrative Contact/Agent, the Registrant is nonetheless bound as a principal by all terms and conditions herein, including the Dispute Policy.

G. Limitation of Liability. Registrant agrees that NSI shall have no liability to the Registrant for any loss Registrant may incur in connection with NSI's processing of this Registration Agreement, in connection with NSI's processing of any authorized modification to the domain name's record during the covered period, as a result of the Registrant's ISP's failure to pay either the initial registration fee or renewal fee, or as a result of the application of the provisions of the Dispute Policy. Registrant agrees that in no event shall the maximum liability of NSI under this Agreement for any matter exceed Five Hundred United States Dollars (US\$500).

H. Indemnity. Registrant agrees, in the event the Registration Agreement is accepted by NSI and a subsequent dispute arises with any third party, to indemnify and hold NSI harmless pursuant to the terms and conditions contained in the Dispute Policy.

I. Breach. Registrant agrees that failure to abide by any provision of this Registration Agreement or the Dispute Policy may be

considered by NSI to be a material breach and that NSI may provide a written notice, describing the breach, to the Registrant. If, within thirty (30) days of the date of mailing such notice, the Registrant fails to provide evidence, which is reasonably satisfactory to NSI, that it has not breached its obligations, then NSI may delete Registrant's registration of the domain name. Any such breach by a Registrant shall not be deemed to be excused simply because NSI did not act earlier in response to that, or any other, breach by the Registrant.

J. No Guaranty. Registrant agrees that, by registration of a domain name, such registration does not confer immunity from objection to either the registration or use of the domain name.

K. Warranty. Registrant warrants by submitting this Registration Agreement that, to the best of Registrant's knowledge and belief, the information submitted herein is true and correct, and that any future changes to this information will be provided to NSI in a timely manner according to the domain name modification procedures in place at that time. Breach of this warranty will constitute a material breach.

L. Revocation. Registrant agrees that NSI may delete a Registrant's domain name if this Registration Agreement, or subsequent modification(s) thereto, contains false or misleading information, or conceals or omits any information NSI would likely consider material to its decision to approve this Registration Agreement.

M. Right of Refusal. NSI, in its sole discretion, reserves the right to refuse to approve the Registration Agreement for any Registrant. Registrant agrees that the submission of this Registration Agreement does not obligate NSI to accept this Registration Agreement. Registrant agrees that NSI shall not be liable for loss or damages that may result from NSI's refusal to accept this Registration Agreement.

N. Severability. Registrant agrees that the terms of this Registration Agreement are severable. If any term or provision is declared invalid, it shall not affect the remaining terms or provisions which shall continue to be binding.

O. Entirety. Registrant agrees that this Registration Agreement and the Dispute Policy is the complete and exclusive agreement between Registrant and NSI regarding the registration of Registrant's domain name. This Registration Agreement and the Dispute Policy supersede all prior agreements and understandings, whether established by custom, practice, policy, or precedent.

P. Governing Law. Registrant agrees that this Registration Agreement shall be governed in all respects by and construed in accordance with the laws of the Commonwealth of Virginia, United States of America. By submitting this Registration Agreement, Registrant consents to the exclusive jurisdiction and venue of the United States District Court for the Eastern District of Virginia, Alexandria Division. If there is no jurisdiction in the United States District Court for the Eastern District of Virginia, Alexandria Division, then jurisdiction shall be in the Circuit Court of Fairfax County, Fairfax, Virginia.

Q. This is Domain Name Registration Agreement Version Number 3.5. This Registration Agreement is only for registrations under top-level domains: COM, ORG, NET, and EDU. By completing and submitting this Registration Agreement for consideration and acceptance by NSI, the Registrant agrees that he/she has read and agrees to be bound by A through P above.

[The remaining portion of your Agreement is the fill-in template submitted by you or your Internet Service Provider ("ISP"). The information contained in your registration template, as registered with Network Solutions, Inc., is reflected on the reverse side of this Agreement].

TO THE EXTENT JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES, SOME OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU.
19. **REVOCACTION.** You agree that we may terminate your contractual right to use our service(s) if the information that you are obligated to provide to register your domain name or register for other Network Solutions service(s), or that you subsequently modify, contains false or misleading information, or conceals or omits any information we would likely consider material to our decision to register your domain name or to continue to provide you domain name registration services. Furthermore, you agree that we may suspend, cancel or transfer your domain name registration services in order to: (i) correct mistakes made by us or the registry in registering your chosen domain name, or (ii) to resolve a dispute under our dispute policy. We will not refund any fees paid by you if we terminate your services.

In the event we do not register your domain name or register you for other Network Solutions' service(s), or we delete your domain name or other Network Solutions' service(s) within such thirty (30) calendar day period, we agree to refund any applicable fee(s) you have paid. You agree that we shall not be liable to you for loss or damages that may result from our refusal to register, the deletion your domain name or refusal to register you for other Network Solutions' service(s).
21. **SEVERABILITY.** You agree that the terms of this Agreement are severable. If any term or provision is declared invalid or unenforceable, that term or provision will be construed consistent with applicable law as nearly as possible to reflect the original intentions of the parties, and the remaining terms and provisions will remain in full force and effect.

Except for disputes concerning or arising from your use of a domain name registered with us, you and we each submit to exclusive subject matter jurisdiction, personal jurisdiction and venue of the United States District Court for the Eastern District of Virginia, Alexandria Division.
