Dear Mr. Palma,

Attached is formal notice of non-renewal of our contract signed November 1st 2016. This contract expires on October 31st 2017 and I will not be renewing for 2018.

As per the contract:

(...) This Agreement shall be renewed automatically for additional 1 year terms ("Renewal Term"), unless a 90 days prior written notice of intent not to renew this Agreement upon its expiration ("Non-Renewal Notice") is given by either the Company or the Consultant. (...)

I appreciate the opportunity to work with your company.

Over the next weeks, I will complete projects assigned to me as much as time permits and as per priorities set by you, and document properly those which I created, so that all of the work created by me for your company can be properly utilized and extended as needed.

Kindly please let me know if you prefer a hard copy version of this notice and I can send it via courier service by the end of this month.

Regards,
