OK, here is the new draft:

Deleted blank 2.B heading.

In 6.E removed reference to 2.B and added reference to new 8.A.

If this is fine let's execute with date of Nov 1st.

Subject: Re: Fina contract draft

Hi,

I quickly reviewed before printing out to sign and I noticed two things which we should correct -- I cannot correct these myself since I only have PDF version which I cannot edit. I.e.:

@ "2. Relationship of Parties."

(b) - **content was removed but this remains - should be removed**

@ "6. Termination and Expiration."

(e) "Survival. The provisions of Sections 2(b), 3, 4, 5, 6(c), 6(d), 6(e), 7, 8(c), 8(d) and 9 will survive the expiration or termination of this Agreement." - **refers to REMOVED 2(b)**

These are quick fixes, should take no longer than 1 minute, having the original document.

Regards,
Michal

Hi,

The only change from the draft you reviewed is to the signature section to convert it into a table to avoid the wacky format.

Please sign and date and scan to PDF and send me a copy via email. There is no need to mail paper copies. I will sign and scan and return a copy to you.

Derek
